Executive Summary

Overview

PATILAD Poultry Farm is a start-up poultry Farm that will be involved in production of quality and affordable poultry meat and egg and other poultry derivate targeting consumers in southwest Nigeria and will be located in Osogbo, osun state.

The Company

PATILAD Poultry Farm will be established as a limited liability company owned by Dayo Adetiloye, Kemi Awe, and other investors. The farm will be managed and directed by Dayo Adetiloye, a veteran in the Agric industry with 8years experience and Kemi Awe, an experienced Agro-allied specialist with over 15years experience.

Products and Services

PATILAD Poultry Farm will sell Poultry products, including poultry egg, chickens and poultry litter waste.

We also offer Kill---Cut---Wrap---Freeze (KCWF) services (e.g., traditional cuts in paper or cryovac packaging). Our eggs are hygienic, rich in protein and of high quality. We produce, process and package to meet standard organization of Nigeria and international standard.

The Market

Nigeria as the largest nation in African presently consumes about 1.5 million MT of frozen chicken annually and more than 60% of the chicken consumed in Nigeria are imported.

The Nigeria poultry sector is expanding yearly. According to CSIRO local production only meets 30% of the demand for chicken eggs and meat, thus there is huge scope for the industry to expand.

The popularity of poultry birds in Nigeria is noteworthy and can be attributed to the numerous benefits associated with poultry production and other value chain.

Competition

Competitors for PATILAD poultry Farm include Choice Farms, Best Foods Global, Meat World Foods, Chi Farms, Obasanjo Farms

PATILAD poultry Farm will establish its competitive edge through the expertise of its founders.

Financial Considerations

PATILAD poultry Farm seeks ₦5 million in long-term financing to cover start-up costs, equipment, building expenses, and working capital.

Funding for the launch of the business will be provided primarily by equity from the partners and investors.

The business will reach positive cash flow in its 10th month of operation, allowing for expedited repayment of its loan obligations, as well as for dividends to be paid to the owners.

Introduction

Poultry farming has proven to be a very lucrative business not only in Nigeria but in the world at large. Chickens are one of the major sources of animal meat in Nigeria, aside from pork and fish.

As a business, they offer an opportunity for poultry farmers to earn steady income and also provide employment opportunities for countless number of men and women.

One of the major customers for poultry farms in Nigeria are the major fast-food companies like Mr. Biggs, Tantalizer, Tasty-Fried Chicken and UAC followed by hotels, restaurants and then house hold consumers of chicken. The high demand for Chicken meat, egg and other poultry products has led to an increase in poultry farms spring up in many parts of the country.

However, there is a short fall in the supply of chicken and egg because most of the poultry farms in the country. Hence starting a poultry farm of your own either on a large or small scale is indeed a very wise decision as this will bring you immense financial benefit both in the short and long term.

Company Overview

Company Summary

PATILAD Poultry Farm is a start-up poultry Farm that will be involved in production of quality and affordable poultry meat and egg and other poultry derivatives targeting consumers in southwest Nigeria and will be located in Osogbo, Osun state.

Form of business: Limited Liability Company

Owners of business: Dayo Adetiloye, Kemi Awe, and other investors

State of business: The business is a new business

Opening days: 9am -5pm, Monday to Saturday (with part-time night shift).

Business Development

Consultant: Femi OYEBADE (B. Agric., MBA)

Hundred and Five Academy

Legal Adviser: Barrister Adejoke Chambers.

Board of Directors: Dayo Adetiloye, Awe Kemi, Olufemi Ayodeji

Vision and Mission Statement

Vision

To be among the first 3 largest Poultry Farm in southwest Nigeria by 2030.

Mission

- To give our customer the very best product and customer service so that we may earn your trust and future business.
- To provide an excellent, top-notch and inviting environment for poultry meat processing, wholesaling and retailing

Business Objectives

- Increase revenue from the sales of egg and meat to ₦30,000,000 over 2 years
- To maintain profit margins at 20-25% through close attention to expenses and cost of poultry production
- To drive awareness and build sales through mentions in both local print and digital media.
- Attract farmers to use our slaughter, custom cut, and wrap services by making them aware of additional market opportunities from our retail sales

Critical Success Factors

1. Financial stability for purchase of feed.
2. Low operating cost
3. Having a good retail location in a high-shopping area

4. Hygienic and neat processing facility
5. Acquire federal inspection for slaughter and processing
6. Quality processed product, and good relationships with vendors
7. Outstanding customer service and faster processing duration.
8. Environmental impact – locating close to residential areas might pollute the environment.
9. Power supply – locating too far from power infrastructure might make power supply difficult.

Business Description

Products and Service Overview

PATILAD Poultry Farm offers quality poultry products.

1. Breeding and Selling of live birds: we will breed and offer for sell matured birds. Broiler and old layers.

2. Processed Chicken: Kill---Cut---Wrap---Freeze (KCWF) services (e.g., traditional cuts in paper or cryovac packaging)

3. Eggs: We will sell 30 eggs in a crate. Egg is a good source of low-cost high-quality protein, providing 6.3 grams of protein (13% of

the daily value for protein) in one egg for a caloric cost of only 68 calories.

4. Waste/ litter as a by-product

Opportunity

- The income from layers is in two folds - eggs and meat, this has a high return investment.
- The capacity to serve a large and growing market
- The High demand for live birds and eggs either for consumption or as gifts in festive periods such as Christmas, New Year, Easter etc.

- Ban on the importation of frozen chicken into Nigeria has encouraged investments in poultry production.
- The availability of market for poultry products (eggs, meats, by products) in Nigeria cannot be over emphasized.
- The increase in restaurants, hotels, and supermarkets around our location is demanding for more poultry products suppliers.

Pricing

We are quite aware that one of the most accessible means to penetrate the market and acquire many customers is to sell them at competitive prices. So we are ensuring that the costs of our products are relatively competitive in the market. We will compete not only on price but also on flexibility, the quality of services and products, and the availability of specialty, value-added products.

Live birds – N5,000

Processed chickens – N1,500 per kilo

Eggs – N1500 per crate

By-products – N500 per kg

Market Analysis

Industry Type and Market Size

Industry Type – Agriculture Industry

Agriculture is the practice of cultivating plants and livestock. The Agricultural Industry of Nigeria comprises of 4 main sectors, which include; crop production, livestock, forestry, and fishing. This industry has aid the rapid growth of the world's economy.
